Program Descriptions

Campus Tour

Campus tours cover the main academic quads, including the library and student center. These tours are 50 minutes and are led by student guides.

Residence Hall Tour

Residence hall-only tours take you through typical first-year accommodations.

Lunch

Bring your meal pass to Leutner 11 a.m. – 2 p.m. or Fribley 11 a.m. – 4 p.m. to feast on college food, CWRU style.

CWRU Overview

Why Case Western Reserve University? Come learn what makes a CWRU undergraduate education unique and why we are one of the top universities in the country.

Admission and Financial Aid

A discussion led by our admission and financial aid staff, with plenty of opportunity for individual questions, will provide information and guidance on the application process, scholarships and financial aid.

Arts, Humanities, Math, Natural Sciences and Social Sciences

After a brief presentation highlighting the rich opportunities for learning at CWRU, meet faculty from the College of Arts and Sciences, including anthropology; art history; astronomy; biology; chemistry; classics; cognitive science; dance; earth, environmental and planetary sciences; English; history; mathematics and statistics; modern languages and literature; music; philosophy; physics; political science and international studies; psychology; religious studies; sociology; and theater.

Career Preparation

Students at CWRU have a wide variety of opportunities to gain experience in their fields. Ranging from cooperative education (co-op), to internships, to practicum and other programs, students are able to put their ideas to work and to learn what things are like out in the real world. Join a member of the Career Center staff to learn more about services and what CWRU graduates are doing now.

Engineering Overview

If you've thought about majoring in engineering, come to learn about programs and opportunities within the Case School of Engineering. With 13 majors, chances to co-op or intern, and the possibility of integrated graduate study, there are many unique pathways to follow. Enjoy a broad overview of the school, and learn what sets the Case School of Engineering apart.

Engineering Department Visits

Engineering department visits are an in-depth look at the majors within the Case School of Engineering. Typical visits may include a presentation about the department led by a faculty member, a demonstration and/or a lab tour.

First-Year Experience Panel

What will your first year be like at CWRU? The First-Year Experience panel begins with what communication you should expect over the summer and throughout your first year at CWRU, as well as New Student Orientation and Parent Orientation. Representatives from Residence Life, Greek Life, Orientation, First-Year Experience, Undergraduate Studies, Kelvin Smith Library, Multicultural Affairs, and Student Activities and Leadership can answer your questions about your academic, social and leadership experiences during your first year at CWRU.

Forum on Multiculturalism and Diversity

Prospective students and families have the opportunity to interact with CWRU faculty, staff and students to learn how the CWRU community embraces diversity and inclusion.

Management School: Accounting, Economics, Marketing, Finance

The Weatherhead School of Management at CWRU is one of the top undergraduate business programs in the country, giving students a solid grounding in the foundation of management while also exploring research and best practices from the business community. Learn about curriculum, internship opportunities and career pathways for graduates of the management program.

Nursing Overview

As one of the top-rated private nursing programs in the country, the Frances Payne Bolton School of Nursing prepares students for successful and rewarding careers. Learn about the nursing program, including hands-on clinical work that begins in your first semester, research opportunities, and opportunities for learning that can take you from the top hospitals in our neighborhood to public health settings around the globe. This session includes a tour of the school of nursing. Please allow 90 minutes.

Pre-med and Pre-health

If you are setting your goals toward becoming a doctor, come learn about the ways in which CWRU students receive excellent preparation for the challenges of medical school. From our unique setting among top medical centers, to undergraduate research opportunities, to outstanding programs in the sciences, the CWRU experience can help you take the next step toward medical school.

Research Opportunities

The ability to conduct research with a faculty mentor as an undergraduate is one of the opportunities that sets a CWRU undergraduate education apart. Learn how the SOURCE Office (Support of Undergraduate Research and Creative Endeavors) assists and prepares students to engage in research.

Student Activities Panel

Take some time to learn about student life and activities on campus, including Division III athletics, performing arts ensembles, community-service groups, student government and student-run media.

Study Abroad

You've heard about studying abroad. We do that at CWRU, but we also have a variety of other ways in which students can get a taste of an environment beyond University Circle. Our students conduct research overseas, work on public-service projects in developing countries, and attend other schools on exchange programs both abroad and within the United States. Students who have been involved with these programs share their experiences.
