Program Descriptions

Admission and Financial Aid
A discussion led by our admission and financial aid staff, with plenty of opportunities for individual questions, will provide information and guidance on the application process, scholarships and financial aid.

Campus Tour
Campus tours cover the main academic quads, including the library and student center. These tours are 50 minutes and are led by student guides.

CWRU Overview
Why Case Western Reserve University? Come learn what makes a CWRU undergraduate education unique and why we are one of the top universities in the country.

Lunch
Bring your meal pass to Leutner (D2), 11 a.m. – 2 p.m. or Fribley (E6), 11 a.m. – 4 p.m.

Residence Life Tour
Tours take you through typical first-year accommodations.

Arts, Humanities, Math, Natural Sciences and Social Sciences
After a brief presentation highlighting the rich opportunities for learning at CWRU, meet faculty from the College of Arts and Sciences, including anthropology; art history; astronomy; biology; chemistry; classics; cognitive science; dance; earth, environmental and planetary sciences; English; history; mathematics and statistics; modern languages and literature; music; philosophy; physics; political science and international studies; psychology; religious studies; sociology; and theater.

Bridging the New and Old: High-tech Scholarship for the Next Generation
Join Local NPR Tech Analyst and Kelvin Smith Library’s Creative New Media Officer Jared Bendis for a look at exciting new technologies for scholarship in the arts, humanities and social sciences.

Career Preparation
Students at CWRU have a wide variety of opportunities to gain experience in their fields. Ranging from cooperative education (co-op), to internships, to practicum and other programs, students are able to put their ideas to work. to learn what things are like out in the real world. Join a member of the Career Center staff to learn more about services, as well as what CWRU grads are doing.

Diversity and Inclusion
Prospective students and families have the opportunity to interact with CWRU faculty, staff and students to learn how the CWRU community embraces diversity and inclusion.

Engineering Overview
If you’ve thought about majoring in engineering, come learn about programs and opportunities within the Case School of Engineering. With 13 majors, chances to co-op or intern, and the possibility of integrated graduate study, there are many unique pathways to follow. Enjoy a broad overview of the school, and learn what sets the Case School of Engineering apart.
Engineering Department Visits
Engineering department visits are an in-depth look at the majors within the Case School of Engineering. Typical visits may include a presentation about the department led by a faculty member, a demonstration and/or a lab tour.

First-Year Experience Panel
What will your first year be like at CWRU? The First-Year Experience panel begins with what you should expect over the summer and throughout your first year at CWRU, as well as New Student Orientation and Parent Orientation. Representatives from Residence Life, Greek Life, Orientation, First-Year Experience, Undergraduate Studies, Kelvin Smith Library, Multicultural Affairs, and Student Activities and Leadership can answer your questions about academic, social and leadership experiences during your first year at CWRU.

Innovation and Entrepreneurship
Students and staff highlight CWRU’s startup culture. Hear how students capitalize on entrepreneurship courses, networking opportunities, hackathons, competitions, think[box] and LaunchNet consulting services to build products and businesses that command attention in the marketplace and at international trade shows.

The Weatherhead School of Management at CWRU is one of the top undergraduate business programs in the country, giving students a solid academic foundation while also exploring research and best practices from the business community. Learn about the full range of majors and minors.

Music Department Open House
If you've thought about majoring in music or participating in music ensembles and lessons, come learn about programs within the CWRU Department of Music: BA Music, BS Music Education and minor in music. Our BA Music degree can be combined with any other degree program that CWRU offers as a double major, dual degree or secondary major. Our BS Music Education program leads to teacher licensure. After a brief presentation highlighting the wide range of opportunities for musical study or participation in our joint Music Program with the Cleveland Institute of Music, students will have the chance to meet with faculty and current music majors.

Nursing Overview
As one of the top-ranked private nursing programs in the country, the Frances Payne Bolton School of Nursing prepares students for successful and rewarding careers. Learn about the nursing program, including hands-on clinical work that begins in your first semester, research opportunities, and opportunities for learning that can take you from the top hospitals in our neighborhood to public health settings across the country. This session includes a tour of the School of Nursing. Please allow 90 minutes.

Pre-med and Pre-health
If you are setting your goals toward becoming a doctor, come learn about the ways in which CWRU students receive excellent preparation for the challenges of medical school. From our unique setting among top medical centers, to undergraduate research opportunities, to outstanding programs in the sciences, the CWRU experience can help you take the next step toward medical school.
Research Opportunities
The ability to conduct research with a faculty mentor as an undergraduate is one of the opportunities that sets a CWRU undergraduate education apart. Learn how the SOURCE Office (Support of Undergraduate Research and Creative Endeavors) assists and prepares students to engage in research.

Student Activities Panel
Take some time to learn about student life and activities on campus, including Division III athletics, performing arts ensembles, community-service groups, student government, and student-run media.

Study Abroad Panel
About 40 percent of CWRU undergraduates study abroad. Programs can span from a week to a semester or longer, and include opportunities to study, research, complete internships and more. Hear from students who have studied abroad and learn how you can have global experiences, stay on track for graduation, retain financial and institutional aid, and increase your life and career skills.

Theater Department Open House
CWRU Theater offers education and participation in all aspects of drama, with course offerings in acting, stagecraft, costume design, scene design, directing, dramatic writing, history, literature and criticism. Bachelor of Arts students have the opportunity to perform as well as to serve on the design and technical teams in four fully produced mainstage theatrical productions. Tour the facilities, meet with students and professors, and learn about our scholarship opportunities.
