# Program Descriptions

## Campus Tour

Campus tours cover the main academic quads, including the library and student center. These tours are 50 minutes and are led by student guides.

## Residence Hall Tour

Residence hall-only tours take you through typical first-year accommodations.

## Lunch

Bring your meal pass to Leutner (B4), 11 a.m. – 2 p.m. or Fribley (G6), 11 a.m. – 1 p.m. to feast on college food, CWRU style.

## CWRU Overview

Why Case Western Reserve University? Learn about our deliberate and integrated approach to an undergraduate experience that prepares students for immediate success in graduate and professional school and careers.

## Admission and Financial Aid

A discussion led by admission and financial aid team members with plenty of opportunities for individual questions, with information and guidance on the application process, scholarships and financial aid.

## Arts, Humanities, Math, Natural Sciences and Social Sciences

After a brief presentation highlighting the rich opportunities for learning at CWRU, meet faculty from the College of Arts and Sciences, including anthropology; art history; astronomy; biology; chemistry; classics; cognitive science; dance; earth and environmental and planetary sciences; English; history; mathematics and statistics; modern languages and literature; music; philosophy; physics; political science and international studies; psychology; religion studies; sociology; and theater.

## Career Preparation

Students at CWRU have a wide variety of opportunities to gain experience in their fields. Ranging from cooperative education (co-op), to internships, to practicum and other programs, students are able to put their ideas to work in the professional world. Join a member of the Career Center staff to learn more about services and what CWRU graduates are doing now.

## Engineering Overview

If you've thought about majoring in engineering, come to learn about programs and opportunities within the Case School of Engineering. With 13 majors, chances to co-op or intern, and the possibility of integrated graduate study, there are many unique pathways to follow. Enjoy a broad overview of the school, and learn what sets the Case School of Engineering apart.

## Engineering Department Visits

Engineering department visits are an in-depth look at the majors within the Case School of Engineering. Visits may include a presentation about the department led by a faculty member, a demonstration and/or a lab tour.

## Lab Tours

Faculty members offer guided tours of the state-of-the-art facilities used by our undergraduate students. Guests must register in the Tinkham Veale University Center during check-in. Meeting locations will be shared upon registration.

## Management School: Accounting, Business Management, Economics, Finance, Marketing

The Weatherhead School of Management at CWRU is one of the top undergraduate business programs in the country, giving students a solid academic foundation while also exploring research and best practices from the business community. Learn about major and minors, including accounting; business management (with concentrations in innovation and entrepreneurship; international business; organizational leadership; and supply chain management); economics; finance; and marketing.

## Music Department Overview

If you've thought about majoring in music or participating in music ensembles or lessons, come learn about programs within the CWRU Department of Music. After a brief presentation highlighting the wide range of opportunities for musical study or participation and our Joint Music Program with the Cleveland Institute of Music, students will meet with faculty and current music majors.

## Nursing Overview

As one of the top-rated private nursing programs in the country, the Frances Payne Bolton School of Nursing prepares students for successful and rewarding careers. Learn about the nursing program, including hands-on clinical work that begins in your first semester, research opportunities and opportunities for learning that can take you from the top hospitals in our neighborhood to public health settings around the globe. This session includes a tour of the school of nursing. Please allow 90 minutes.

## Pre-med and Pre-health

If you are setting your goals toward becoming a doctor, come learn about the ways in which CWRU students receive excellent preparation for the challenges of medical school. From our unique setting among top medical centers, to undergraduate research opportunities, to outstanding programs in the sciences, the CWRU experience helps you take the next step toward medical school.

## Research Opportunities

The ability to conduct research with a faculty mentor as an undergraduate is one of the opportunities that sets a CWRU undergraduate education apart. Learn how the Support of Undergraduate Research and Creative Endeavors (SOURCE) Office assists and prepares students to engage in research.

## Student Activities Panel

Take some time to learn about student life and activities on campus, including Division III athletics, performing arts ensembles, community-service groups, student government and student-run media.

## Study Abroad

You've heard about studying abroad. We do that at CWRU, but we also have a variety of other ways in which students can get a taste of an environment beyond University Circle. Our students conduct research overseas, work on public-service projects in developing countries, and attend other schools on exchange programs both abroad and within the United States. Students who have been involved with these programs share their experiences.

**Theater Department Tour**

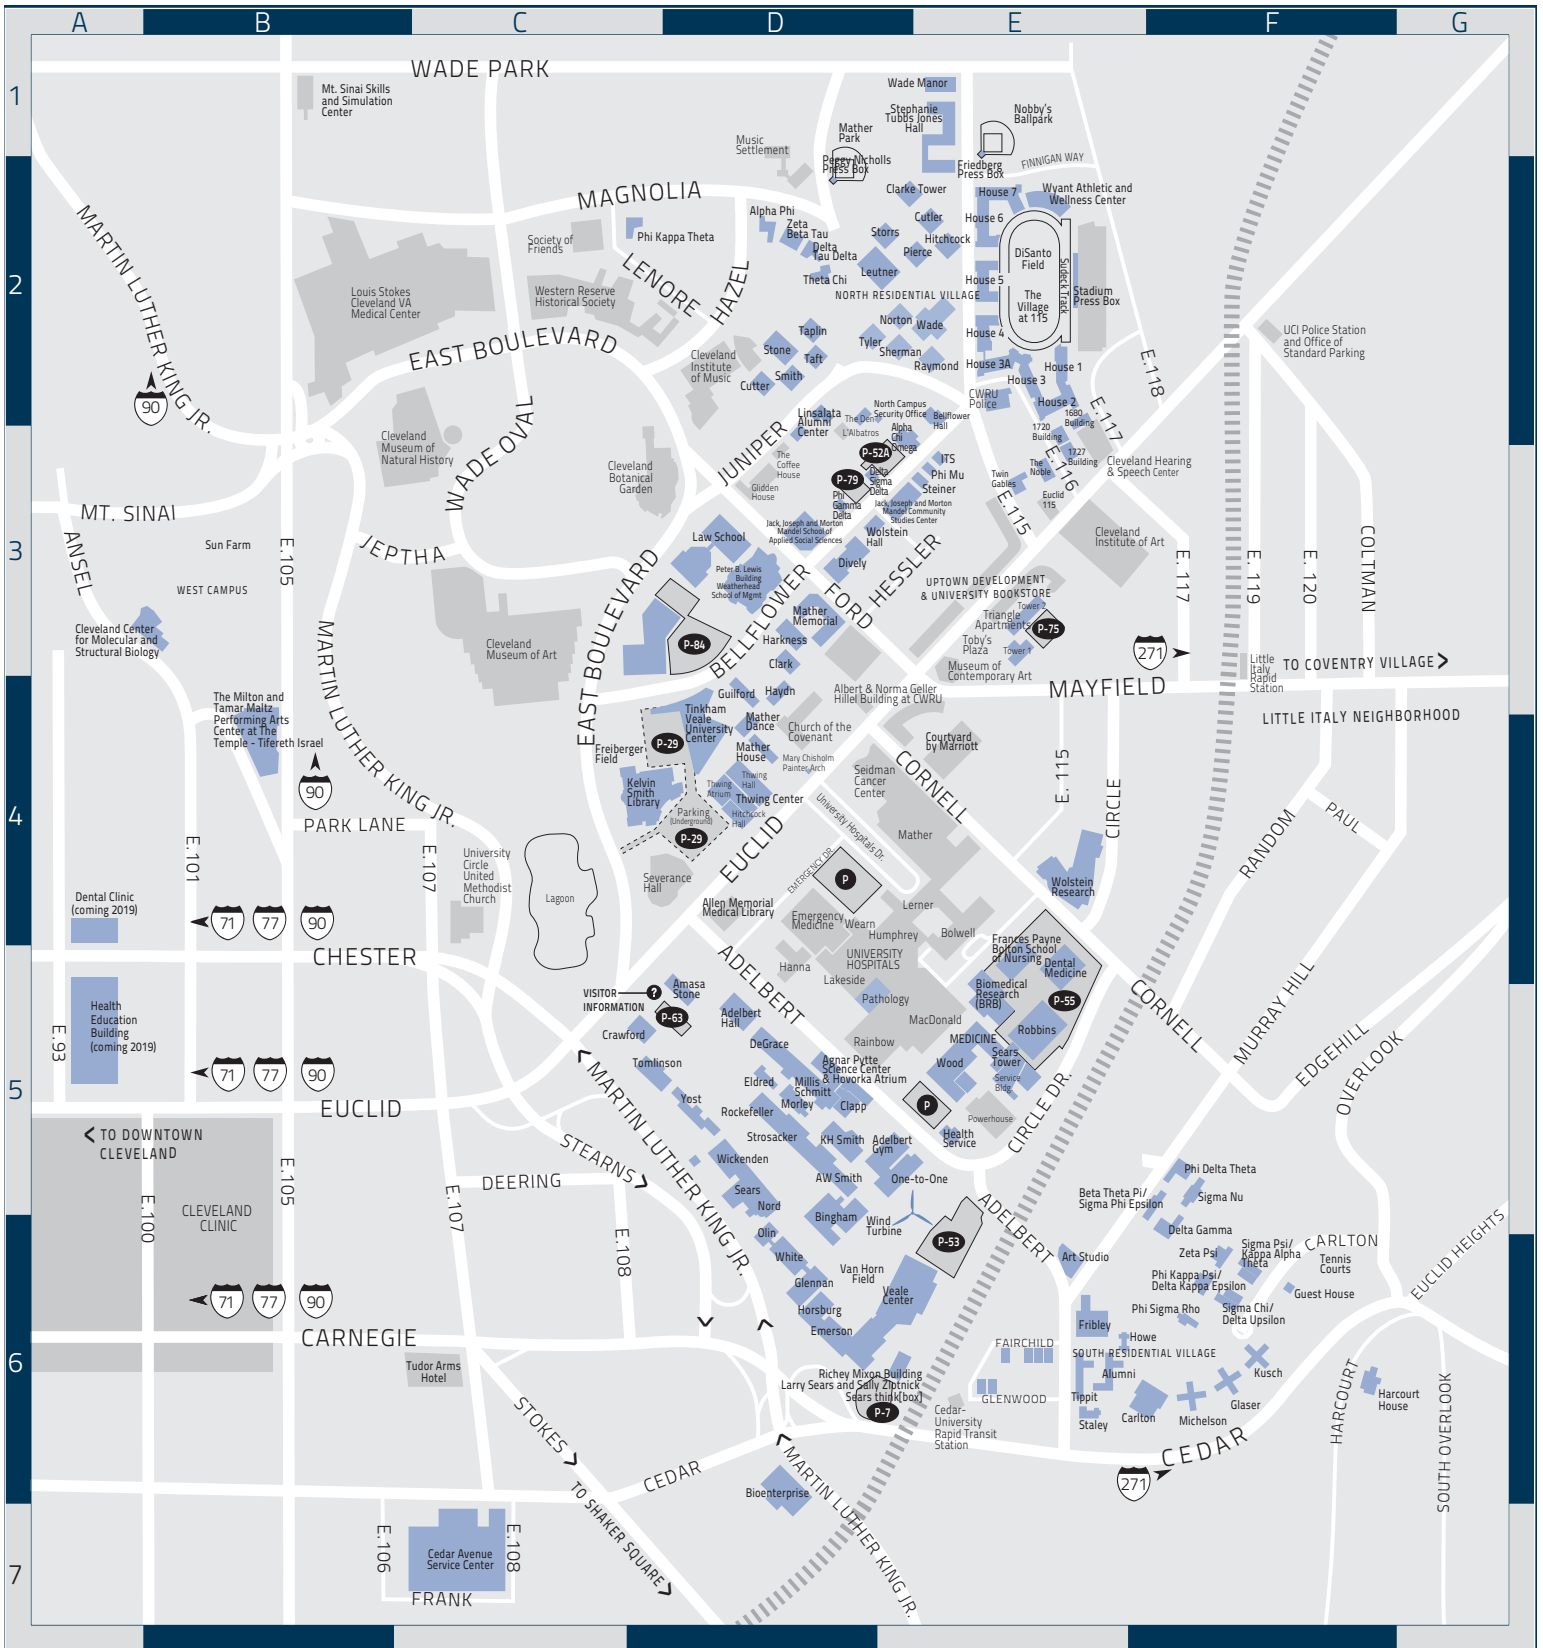

CWRU Theater offers education and participation in all aspects of drama, with course offerings in acting, stagecraft, costume design, scene design, directing, dramatic writing, history, literature and criticism. Bachelor of Arts students have the opportunity to perform as well as to serve on the design and technical teams in four fully produced mainstage theatrical productions. Come and tour our facilities, meet with students and professors, and learn about our scholarship opportunities.

**Transfer Student Information Session**

Learn about the application process, credit evaluation and resources available for transfer students here at CWRU.
