April 5-6
Admitted Student Program
Schedule of Events
Thursday, April 5
Choose one session per time slot.

[8 a.m. - 3 p.m.]
Check-in – Tinkham Veale University Center Immersion Zone (D4) (Luggage storage available until 6 p.m.)

[8:30 a.m.]
CWRU Overview – Tinkham Veale University Center, Ballroom A/B/C (D4)
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)

[9:30 a.m.]
Engineering Overview – Tinkham Veale University Center, Ballroom A/B (D4)
Financial Aid, Student Employment and Billing Statements – Tinkham Veale University Center, Ballroom C (D4)
Management School: Accounting, Business Management Economics, Finance and Marketing – Peter B. Lewis, 203 (D3)
Nursing Overview – School of Nursing, first-floor lounge (E5)
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)

[10:30 a.m.]
Arts, Humanities, Math, Natural Sciences and Social Sciences – Tinkham Veale University Center, Ballroom A/B (D4)
CWRU Overview – Tinkham Veale University Center, Ballroom C (D4)
Chemical and Biomolecular Engineering Department Visit – A.W. Smith 325 (D6)
Macromolecular Science and Engineering Department Visit – Kent Hale Smith 318 (D9)
Materials Science and Engineering Department Visit – Bingham 103 (D5)
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)

[10:55 a.m.]

[Lunch]
11 a.m. – 2 p.m. Leutner (D2)
11 a.m. – 4 p.m. Fribley (E6)

[11:30 a.m. - 1 p.m.]
Open Hours: Model First-Year Residence Hall Room – Smith Hall (D2)

[11:30 a.m.]
Biology Lab Tour – *Register during check-in. Limited spaces available.
Chemistry Lab Tour – *Register during check-in. Limited spaces available.
Music Department Open House – Harkness Chapel (D4)
Electrical Engineering and Computer Science Department Visit – Rockefeller 301 (D5)
Mechanical and Aerospace Engineering Department Visit – Glennan 408 (D6)
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)
Residence Life Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)

[1 p.m.]
Bridging the New and Old: High-Tech Scholarship for the Next Generation – Kelvin Smith Library, Freedman Center (D4)
Career Preparation – Tinkham Veale University Center, Ballroom C (D4)
Civil Engineering Department Visit – Bingham 214 (D5)
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)
Residence Life Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)

[2 p.m.]
Financial Aid, Student Employment and Billing Statements – Tinkham Veale University Center, Ballroom C (D4)
Pre-med and Pre-health – Tinkham Veale University Center, Ballroom A/B (D4)
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)
Residence Life Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)
[2:25 p.m.]  

[3 p.m.]  
Biology Lab Tour – *Register during check-in. Limited spaces available.  
Cleveland Museum of Art Tour – Cleveland Museum of Art, Atrium (C3)  
Research Opportunities – Tinkham Veale University Center, Ballroom A (D4)  
Living on Campus – Tinkham Veale University Center, Senior Classroom (D4)  
Study Abroad Panel – Tinkham Veale University Center, Ballroom C (D4)  
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)  
Residence Life Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)

[3:25 p.m.]  

[4 p.m.]  
CWRU Live! – Veale Center, Horsburgh Gym (E6)

[5 p.m.]  
Overnight Matching – Veale Center, Horsburgh Gym (E6)

[5 - 7 p.m.]  
Parents’ Cocktail Reception (remarks at 5:50 p.m.) – Tinkham Veale University Center, Ballroom Foyer (D4)

Friday, April 6  
Choose one session per time slot.

[8 - 10 a.m.]  
Overnight Check-out – Tinkham Veale University Center, Student Organization Center (D4)

[8:30 a.m.]  
CWRU Overview – Tinkham Veale University Center, Ballroom A/B/C (D4)  
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)

[9:30 a.m.]  
Engineering Overview – Tinkham Veale University Center, Ballroom A/B (D4)  
Nursing Overview – School of Nursing, first-floor lounge (E5)  
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)

[9:55 a.m.]  

[10:30 a.m.]  
Arts, Humanities, Math, Natural Sciences and Social Sciences – Tinkham Veale University Center, Ballroom A/B (D4)  
Financial Aid, Student Employment and Billing Statements – Tinkham Veale University Center, Ballroom C (D4)  
Chemical and Biomolecular Engineering Department Visit – A.W. Smith 325 (D5)  
Electrical Engineering and Computer Science Department Visit – Glennan 313 (D6)  
Macromolecular Science and Engineering Department Visit – Kent Hale Smith 318 (D5)  
Management School: Accounting, Business Management, Economics, Finance and Marketing – Peter B. Lewis 203 (D3)  
Materials Science and Engineering Department Visit – Olin 314 (D5)  
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)

[10:55 a.m.]  
[LUNCH]
11 a.m. – 2 p.m. Leutner (D2)
11 a.m. – 4 p.m. Fribley (E6)

[11:30 a.m. - 1 p.m.]
Open Hours: Model First-Year Residence Hall Room – Smith Hall (D2)

[11:30 a.m.]
CWRU Overview – Tinkham Veale University Center, Ballroom C (D4)
Biology Lab Tour – *Register during check-in. Limited spaces available.
Chemistry Lab Tour – *Register during check-in. Limited spaces available.
Biomedical Engineering Overview – Tinkham Veale University Center, Ballroom A/B (D4)
Humanities@Work – Clark 206 (D3)
Mechanical and Aerospace Engineering Department Visit – Glennan 408 (D6)
Music Department Open House – Harkness Chapel (D4)
Living on Campus – Tinkham Veale University Center, Senior Classroom (D4)
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)
Residence Life Tour – Tinkham Veale University Center, Ballroom B (D4)

[1 p.m.]
Bridging the New and Old: High-Tech Scholarship for the Next Generation – Kelvin Smith Library, Freedman Center (D4)
Career Preparation – Tinkham Veale University Center, Ballroom A (D3)
Civil Engineering Department Visit – Bingham 214 (D5)
Diversity and Inclusion – Tinkham Veale University Center, Senior Classroom (D4)
Campus Tour – Depart from Tinkham Veale University Center first-floor main staircase (D4)
Residence Life Tour – Depart from Tinkham Veale University Center first-floor main staircase (D4)

[2 p.m.]
Innovation and Entrepreneurship – Richey Mixon Building, think[box] Level 2 Presentation Area (D6)
Research Opportunities – Tinkham Veale University Center, Ballroom C (D3)
Student Activities Panel – Tinkham Veale University Center, Senior Classroom (D4)
Pre-med and Pre-health – Tinkham Veale University Center, Ballroom A/B (D4)
Cleveland Museum of Art Tour – Cleveland Museum of Art, Atrium (C3)
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)
Residence Life Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)

[3 p.m.]
Biology Lab Tour – *Register during check-in. Limited spaces available.
First-Year Experience Panel – Tinkham Veale University Center, Senior Classroom (D4)
Study Abroad Panel – Tinkham Veale University Center, Ballroom C (D4)
Campus Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)
Residence Life Tour – Depart from Tinkham Veale University Center, first-floor main staircase (D4)
PROGRAM DESCRIPTIONS

Campus Tour
Campus tours cover the main academic quads, including the library and student center. These 50-minute tours are led by student guides.

Cleveland Museum of Art Tour
Students guide visitors on a 45-minute mini-tour of a few of the treasures within the museum's 45,000-object collection. Meet at the circular welcome desk inside the atrium of the museum.

Residence Life Tour
Residence hall-only tours take you through typical first-year accommodations.

Lunch
Bring your meal pass to Leutner (D2), 11 a.m. – 2 p.m. or Fribley (E6), 11 a.m. – 4 p.m. to feast on college food, CWRU-style.

CWRU Overview
Why Case Western Reserve University? Come learn what makes a CWRU undergraduate education unique and why we are one of the top universities in the country.

Arts, Humanities, Math, Natural Sciences and Social Sciences
After a brief presentation highlighting the rich opportunities for learning at CWRU, meet faculty from college departments, including anthropology; art history; astronomy; biology; chemistry; classics; cognitive science; dance; earth, environmental and planetary sciences; English; history; mathematics and statistics; modern languages and literature; music; philosophy; physics; political science and international studies; psychology; religious studies; sociology; and theater.

Bridging the New and Old: High-Tech Scholarship for the Next Generation
Join Local NPR Tech Analyst and Kelvin Smith Library’s Creative New Media Officer Jared Bendis for a look at exciting new technologies for scholarship in the arts, humanities, and social sciences.

Career Preparation
Students at CWRU have a wide variety of opportunities to gain experience in their fields. Ranging from cooperative education (co-op), to internships, to practicum and other programs, students are able to put their ideas to work and to learn what things are like out in the real world. Join a member of the Career Center staff to learn more about services, as well as what CWRU grads move on to.

CWRU Live!
Experience the energy, creativity, and culture of life on CWRU's campus. Interact with more than 50 student organizations; engage with student researchers; and enjoy a sampling of the talented performing arts groups on campus. Students from across the university demonstrate the wide array of opportunities and possibilities that are part of the CWRU undergraduate experience.

Engineering Overview
If you’ve thought about majoring in engineering, come to learn about programs and opportunities within the Case School of Engineering. With 13 majors, chances to co-op or intern, and the possibility of integrated graduate study, there are many unique pathways to follow. Enjoy a broad overview of the school, and learn what sets the Case School of Engineering apart.

Engineering Department Visits
Engineering department visits are an in-depth look at the majors within the Case School of Engineering. Typical visits may include a presentation about the department led by a faculty member, a demonstration and/or a lab tour.

Financial Aid, Student Employment and Billing Statements
There is little question a college education is one of the best investments you’ll make in your lifetime. Representatives from the offices of the Bursar, Student Employment and Financial Aid will discuss how families can prepare to approach this investment.

First-Year Experience Panel
What will your first year be like at CWRU? The First-Year Experience panel begins with what communication you should expect over the summer and throughout your first year at CWRU, as well as New Student Orientation and Parent Orientation. Representatives from Residence Life, Greek Life, Orientation, First-Year Experience, Undergraduate Studies, Kelvin Smith
Library, Multicultural Affairs, and Student Activities and Leadership can answer your questions about your academic, social and leadership experiences during your first year at CWRU.

Diversity and Inclusion
Prospective students and families have the opportunity to interact with CWRU faculty, staff and students to learn how the CWRU community embraces diversity and inclusion.

Innovation and Entrepreneurship
Students and staff highlight CWRU's startup culture. Hear how students capitalize on entrepreneurship courses, networking opportunities, hackathons, competitions, Sears think[box] and LaunchNet consulting services to build products and businesses that command attention in the marketplace and at international trade shows.

Humanities@Work
The Humanities@Work program helps students in the College of Arts & Sciences explore careers that align with their passions and goals. Attend this session to learn about CWRU's unique commitment to ensuring that its humanities majors are prepared to compete for the nation's top jobs, including in the fields of medicine, law, technology and finance.

Biology & Chemistry Lab Tours
Faculty members offer guided tours of the state-of-the-art facilities used by our undergraduate students. Guests must register at check-in upon arrival. Departure locations will be shared upon registration.

Living on Campus
CWRU residence halls are more than just a place to sleep, they’re dynamic communities where students live, learn and find support. Join representatives from Residence Life and University Housing to learn about living on campus and how to choose housing.

Management School: Accounting, Business Management (includes Innovation & Entrepreneurship, International Business, Organizational Leadership, and Supply Chain Management), Economics, Finance, Marketing
The Weatherhead School of Management at CWRU is one of the top undergraduate business programs in the country, giving students a solid academic foundation while also exploring research and best practices from the business community. Learn about majors and minors, including accounting, business management (with concentrations in innovation and entrepreneurship, international business, organizational leadership and supply chain management), economics, finance and marketing.

Music Department Open House
If you’ve thought about majoring in music or participating in music ensembles or lessons, come learn about programs within the CWRU Department of Music: BA Music, BS Music Education, minor in music. Our BA Music degree can be combined with any other degree program that CWRU offers as a double major, dual degree or secondary major. Our BS Music Education program leads to teacher licensure. After a brief presentation highlighting the wide range of opportunities for musical study or participation and our Joint Music Program with the Cleveland Institute of Music, students will have the chance to meet with faculty and current music majors.

Nursing Overview
As one of the top-rated private nursing programs in the country, the Frances Payne Bolton School of Nursing prepares students for successful and rewarding careers. Learn about the nursing program, including hands-on clinical work that begins in your first semester, research opportunities, and opportunities for learning that can take you from the top hospitals in our neighborhood to public health settings around the globe. This session includes a tour of the School of Nursing. Please allow 90 minutes.

Open Hours: Model First-Year Residence Hall Room
Stop by anytime between 11:30 a.m. and 1:00 p.m. for a look at a typical first-year room. Tour guides will be available to answer any questions.

Overnight Matching
Admitted students will be matched with their Spartan Ambassador host (current student) at the conclusion of the CWRU Live! event. Overnighters should check in Thursday morning with the overnight coordinators to ensure we have the necessary paperwork. We cannot guarantee matches to students who arrive late Thursday evening without prior notification.
Parents’ Cocktail Reception
Parents are welcome to enjoy beverages and appetizers with CWRU faculty, advising staff and others who support students at CWRU.

Pre-med and Pre-health
If you are setting your goals toward becoming a doctor, come learn about the ways in which CWRU students receive excellent preparation for the challenges of medical school. From our unique setting among top medical centers, to undergraduate research opportunities, to outstanding programs in the sciences, the CWRU experience can help you take the next step toward medical school.

Research Opportunities
The ability to conduct research with a faculty mentor as an undergraduate is one of the opportunities that sets a CWRU undergraduate education apart. Learn how the SOURCE Office (Support of Undergraduate Research and Creative Endeavors) assists and prepares students to engage in research.

Student Activities Panel
Take some time to learn about student life and activities on campus, including Division III athletics, performing arts ensembles, community-service groups, student government and student-run media.

Study Abroad Panel
Forty-five percent of CWRU undergraduates study abroad. Programs can span from a week to a semester or longer, and include opportunities to study, research, complete internships and more. Hear from students who have studied abroad and learn how you can have global experiences, stay on track for graduation, retain financial and institutional aid, and increase life and career skills.

think[box] Tour
Visit the university’s 50,000-square-foot makerspace and innovation center where you’ll find everything you need to take an idea from concept to prototype. This $50 million facility offers the latest in high-tech prototyping and fabrication equipment—from laser cutting and 3D printing to electronics, waterjet cutting, 3D scanning, welding, metal and woodworking equipment and more. Sears think[box] is open to all students regardless of major.

Let’s get social.
